

SpankOut Day Event

What is this event?

Since initiation in 1998, over 1000 informational events on child discipline have been carried out by organizations across the country and internationally to bring attention to the need to end corporal punishment & promote non-violent ways of teaching children appropriate behavior. Non-violent discipline helps children become caring, responsible & self-disciplined adults.

What will be included at the event?

- Food
- Childcare with activities for the kids **(12 & younger)**
- Representatives from agencies in the community to talk about resources available for families
- Presentation for parents about alternatives to physical discipline
- Transportation to & from if needed
