

<p>4. Determine effective practices regarding truancy cases in the court system.</p>	<p>All Youth</p>	<p>transferring school will send the form to the new school and receive a response once the child has registered.</p> <p>Discussion concerning the needs for each truant youth are different. Services should begin with a good assessment. Dr. Kearney's School Refusal Assessment has been used by various people in the school with favorable results. Programs developed for youth who are adjudicated truant should include programs which have been shown to have favorable outcomes. Research has shown that the following components should be included: Behavioral Health and/or Substance Abuse counseling, Family/School liaison, Social Skills/Problem Solving groups, Parenting Skills.</p>
