"The Power of YOUR Story"

***Presenter:* Tunette Powell, Author, Speaker, Education Consultant and Development Specialist**

Advocating for children is a selfless act. It requires the ultimate dedication. It requires you to give all, and in some cases receive nothing. But it is important to remember that you are part of the journey. This is an interactive, engaging program for child advocates who often times are so busy listening to and absorbing the stories of others that they might not have time to tell their own. Most importantly, this program is a reminder of how we got here in the first place.
