## “Identifying and Understanding Domestic Violence”

**Speaker:**

*Christon MacTaggart*

*Domestic Violence/Sexual Assault Program Coordinator for the  
Nebraska State Patrol*

Domestic violence is often a ‘silent’ issue. Victims may feel ashamed or may not even identify themselves as victims. This session will discuss screening for power and control issues in relationships and identifying ‘red flags’ or indicators of potentially abusive relationships. Also discussed will be safety concerns with victims of domestic violence and their children and how to assist them in planning for their well-being.
